Join the movement for Ethical Research
and participate in the creation of the
Misconducts and Sanctions Handbook

ABOUT THE PROJECT

Following the success of the first edition of the Euregio Research Integrity Code, we are now calling on all students to focus on a more specific and practical aspect of the research process.

Help us create a comprehensive handbook that tackles every dimension of research malpractice, from identifying the misconduct to selecting the most fitting sanction!

Registration deadline is 14/03/2025.
For application, please contact the coordinating professors at
lucia.busatta@unitn.it (UNITN),
Ralf.Luefter@unibz.it (UNIBZ),
Monika.Niedermayr@uibk.ac.at (UIBK).
